

MINORS ON CAMPUS TRAINING COMPLIANCE CERTIFICATION

The University of New Mexico is committed to the safety of all members of its community. UNM has particular concern for potentially vulnerable populations, including minors, who may require special consideration and attention. UNM enacted University Administrative Policy (UAP) 2205: Minors on Campus, establishing general standards for minors participating in University programs and visiting University workplaces and classrooms.

If upon review of this form, you are unaware if your department or unit complies, or if you are aware of non-compliance issues, please contact the UNM Compliance, Ethics & Equal Opportunity Office at 505-277-5251.

The signature below certifies that all mandatory training required by UAP 2205 for Authorized Adults and Program Leaders has been completed for the UNM program below.
